## HOW TO ENTER

Would you like to be one of the first to see the Third Chapter in the Star Wars® Saga - the new film Return of the Jedi™? You would? Then take a look at the unfinished story above.

Using that as a starting point we want you to complete this exciting Star Wars™ adventure. That means letting your imagination run wild.

And as it's your story you can introduce any new characters you like. They can be Rebels, bounty hunters - or perhaps, someone - or something - from the Dark Side of the Force™. You might even invent some droids or space vehicles (or discover a deadly space monster).

It's up to you. Once you've thought of your story draw and colour it in, on a single sheet of paper, and send it to us - with the official entry form you'll find overleaf.

But don't forget, the judges are looking for the most imaginative and exciting story.
